If the team is accepted, all players must register before their first game. All registered players are responsible and obligated to the team's participation, commitment, behaviour and finances. It is in the best interest of all registered players to have read and understood the Indoor Centre's general policies, forfeit rules/penalties, team payments/debts, and the Centre's debt recovery process. By signing an individual player registration form, every player becomes bound to the team(s) nominated on that form for the duration of the competition. Every registered player in the team can/will be held liable for any outstanding team debts, penalties and fines. For the purpose of this form, the captain and vice-captain are only nominating themselves as the first point of call for their sport co-ordinator, they are not the sole liabilities of the team.
